

Localization Advocacy Group (LAG) 2021 Report

It is an initiative that aims to transform the way the humanitarian system works so that humanitarian actors at the local and national level play an increased and more prominent role.

35 Institution, 64 People

The Localization Advocacy Group, which took its first steps in 2020 with the initiative of the Support to Life Association, grew with the support of the Human Resources Development Foundation (İKGV) and the Civil Society Development Center (STGM). In 2021, we became 35 institutions.
